Firehouse Ministries Supporters

Dear Friends,

Firehouse Ministries cordially invites you to our sixth annual **Corporate Luncheon** on **Thursday, May 30th** at The Harbert Center in Birmingham, AL. The luncheon is from 11:30am to 1:00pm. Headlining this year's event will be Johnny Musso, former Birmingham native and University of Alabama football great.

Firehouse Ministries serves more homeless men than any other agency in the state of Alabama. Each evening, over two hundred men sleep in a Firehouse sponsored bed, whether at our Emergency Shelter, transitional housing or any of our other housing facilities in the Birmingham area. Firehouse Ministries provides individual case management, counseling, employment readiness workshops, literacy tutoring, on site legal assistance and life-skills training for their future. The goal of the Firehouse is to reweave these men back into the fabric of society by reuniting them with their families and helping them to become self-sufficient once again.

The day to day operations of the Firehouse greatly depend on the generous support of the Birmingham corporate community, area faith-based organizations and individuals. As you consider a corporate sponsorship, know that you are helping meet a great need in our Birmingham community. A contribution to the Firehouse will positively impact the life of a local man who is eager to be independent again. **We hope to hear from you concerning your sponsorship prior to May 23, 2019.** Details regarding various sponsorship levels for the luncheon are enclosed.

If you need additional tickets or would like to donate to this event please refer to our website at www.firehouseshelter.com. Individual tickets may be purchased for \$75 each.

If you have any questions or need additional information, please contact Doug Kovash at dkovash@firehouseshelter.com/ 205-908-9304 OR Kelly Wallace at kwallace@firehouseshelter.com / 205-417-2502. Thank you in advance for your support of Firehouse Ministries.

Sincerely,
