BUY A BRICK PROGRAM

The new Firehouse shelter is being constructed, and you have an opportunity to help the homeless, one brick at a time. Each brick (4x8) can be purchased for only \$100, will be laser engraved and placed on the brick sidewalk leading into the shelter. These bricks will last a lifetime, and make excellent gifts for those you love. If you would like a card sent out informing them of a brick donated in their honor, please write the name/address on the back of this form and note whether or not it is for a specific holiday/event.

Yes, we'd like to reserve a permanent brick. Please engrave our brick as follows:
