Firehouse Ministries serves more chronically homeless men than any agency in the state of Alabama. Founded in 1983, we operate the broadest, most comprehensive continuum of services for not only Birmingham's homeless, but for those experiencing homelessness in surrounding areas as well. We are much more than a shelter – we offer meals, clothing/toiletries, intensive case management, substance use and mental health support, employment readiness, literacy skills, and life skills workshops to approximately 3,000 of our city's most desperate individuals annually. Our success is made possible only through the tremendous financial support of local companies, organizations, funders, and individuals in the greater Birmingham area.

- On average, 120 people served in the emergency shelter each day
- Supportive housing & case management for 10 men with chronic medical conditions
- 74 chronically homeless individuals at any given time in permanent supportive housing
- Day shelter to shower, shave, check mail, utilize computer lab, and have a meal
- Permanent supportive housing and case management for 24 men with mental illness
- Transportation assistance to health appointments
- Only medical respite program for the homeless in Alabama, and 1 of 8 in the country funded by the CDC
- Daily creative arts workshops through community partnerships
- Weekly health clinics and programming through community partnerships
- Provide over 105,000 meals and serve over 3,000 individuals annually
